About Us

H&P Auto Body And Service Repairs is an auto repairs company based in Boksburg. We have been in business since 2022. Our professionals know how to handle a wide range of car services. Our aim is to make our clients have a hassle-free experience throughout their service and after-service experience.

Mission

Our Mission is to offer honest and reliable automotive service and repair. To develop an unmatched reputation with our customers, and within the community in terms of quality workmanship and exceptional service.

Vision

To be South Africa's favorite choice of Auto Services.

Values

We hold ourselves to the highest standards. We are committed to continuous learning and improvement. We build and maintain equity through our work and our relationships with customers, employees, the environment, and the community.

Why Choose Us

We have tailored our services around what our community needs. We believe in giving you the very best service for auto repair that you can find. That's why we seek out and hire the very best auto repair technicians. We look for technicians that have strong experience with the brands of vehicles we service.

Book one of our comprehensive services today.

Servicing your vehicle at regular intervals has many benefits including improved handling, smoother ride, increased fuel efficiency and most importantly it minimizes the risk of breaking down. The service schedule for your vehicle will depend on the manufacturer, the age of the car, and the mileage.

When you leave your vehicle with us, you are guaranteed honesty, affordability and a safe environment with the best possible care.
